NOTES:

* Tournament fees will not be included in the fees this year. Each coach will determine which tournaments the team will attend. The team manager will collect the fees and travel expenses for the team coach.

*Uniforms will now be ordered through www.soccer.com. More information will be provided to the teams in early August.

*Scholarship requests are due by August 15, 2014 for the Fall Season and February 15, 2015 for the Spring Season. If a scholarship request is not on file with the club by the due date, then the player's parents are responsible for the full fee. Payment plan options are available. Uniforms are no longer part of the scholarship. Parents will be required to purchase their child's uniform. There will be no exceptions to this rule.

Pay to Play: Jaier's 2014-2015 Payment Plan. In order for your child to play their first game of the season to their last game of the season, payments will need to stay current with a credit card and/or debit card on file in www.gotsoccer.com. Payment plans run from August to November for the Fall or February to May for the Spring. All players' fees can be paid in full at the time of acceptance. This includes partial scholarship players. Parents will be responsible for the remaining balance of fees and will be paid in full by the end of the regular season. Player cards will be held on a weekly basis for delinquent accounts.

* Additional service fees charged by www.gotsoccer.com for credit card payments have already been factored into the player fees above.

*Competitive travel players sign up with the club for an entire year commitment or for a high school season. The club has the right to hold players to this one year commitment upon the signing of a registration form or the payment of a fee or a portion of the club fee. Player transfers will only be granted with the approval of the Technical Directors and the Board of Directors.

*Refund of Club Fees: The only reason Jaier will refund player fees or a pro-rated portion of player fees is if the child has been injured or has a serious illness that prevents the child from playing. There will be no exceptions to this rule.
