

Guidelines/Protocols to Return to Play

Coach Guidelines:

- Ensure the health and safety of the players in attendance to the best of their ability
- Speak with the players before the session begins to ask how they are feeling
- Will send home anyone that shows signs of illness
- Follow all state and local health protocols and guidelines
- Only the Coach will handle equipment (cones, flags, etc.)
- Ensure that the session exercises comply with social distancing guidelines and guidelines of MSYSA return to play
- Wear mask at the appropriate times before, during, after sessions
- Maintain appropriate social distance to players according to state and local health requirements and MSYSA Return to Play Guidelines
- Will not use scrimmage vests or pinnies at this time
- Ensure that the players are taking water breaks in the designated area to maintain social distancing guidelines
- Ensure players are frequently using individual hand sanitizer throughout the sessions
