NOTES:

- * Tournament fees are not included in the above registration fees. Each coach will determine which tournaments the team will attend. The team manager will collect the fees and any associated travel expenses for the team coach.
- * Uniforms will be ordered through www.soccer.com. Personalized order links will be provided to each registered player in early August.
- * Fundraising: All families will be expected to participate in activities to support the club. This includes car wash events, operating concession stand at home games, selling raffle tickets or similar items, or similar activities.
- * Scholarship requests are due by August 15, 2015 for the Fall Season and February 15, 2016 for the Spring Season. If a scholarship request is not on file with the club by the due date, then the player's parents are responsible for the full fee. Uniforms are not eligible for scholarship. Parents will be required to purchase their child's uniform. There will be no exceptions to this rule.
- * Pay to Play: Jaier's 2016-2017 Payment Plan. In order for your child to play their first game of the season to their last game of the season, payments will need to stay current with a credit card and/or debit card on file in www.gotsoccer.com. All players' fees can be paid in full at the time of acceptance. This includes partial scholarship players. Parents will be responsible for the remaining balance of fees and will be paid in full by the end of the regular season. Player cards will be held on a weekly basis for delinquent accounts.
- * Competitive travel players sign up with the club for an entire year commitment or for a high school season. The club has the right to hold players to this one year commitment upon the signing of a registration form or the payment of a fee or a portion of the club fee. Player transfers will only be granted with the approval of the Technical Directors and the Board of Directors.
- * Players or Families who decide to leave club during the commitment period remain obligated for the full registration fee.
- * Refund of Club Fees: Jaier will only refund player fees or a pro-rated portion of player fees if the child has been injured or has a serious illness that prevents the child from playing. There will be no exceptions to this rule.
- * Registration Fee's and Payment Plans include all associated credit card and banking fees.
